

The Lansdowne Club

RULES

Approved by Council 29th June 2021

Minor amendment to rule 23.1 approved by Council Sept 2021

FOREWORD

The following Rules refer to the conduct of the Club, its Members and guests. They are made in accordance with powers set out in the Articles of Association of Fitzmaurice House Limited and together they comprise the governing documents of the Club. Both documents are published under the governance section on the Club's website and are provided to all new Members upon their successful election.

CORPORATE STRUCTURE

The Club is Fitzmaurice House Limited ("FHL"), a company limited by guarantee and every Member of the Club is a Member of FHL. The freehold of the building is owned by another company, Lansdowne Club Limited, and approximately 95% of the shares in this company are held by FHL. Thus, the Club is owned by the Members. The Club is a not-for-profit organisation.

The Board of Directors of FHL is called Council and is responsible for the strategic direction and good governance of the Club. Council are full Club Members elected by fellow full Club Members. Council is led by Council Chair and supported by the Deputy Chair and Treasurer. The Chair, Deputy Chair and Treasurer are elected by fellow Council Members from among Council Members.

Council appoint the Chief Executive Officer (CEO), also known as the Club Secretary, who is responsible for the day to day running and operation of the Club and is the main point of contact for Members, employees, and other stakeholders. Council Chair is the only Club Member or Council Member who may direct or instruct employees, including the Club CEO.

Council may make, alter and repeal the Rules as it thinks necessary. The Rules have to be consistent with the Articles of Association and within the powers of Council, as set out in the Articles.

If there is any discrepancy between any of these Rules and any provisions of the Articles of Association, the Articles of Association shall prevail.

6.1.3 The subscription paid on the anniversary of election shall be valid and unalterable for a year. The Membership category to which that Member belongs will be determined by that Member's age and residence at the time of their renewal. If a Member changes category during the ensuing year no rebate of subscription will be given. Similarly, the Club will not demand any fee increase until the next anniversary of election. Prospective Members will be required to provide a proof of their primary address (e.g. a government issued letter, bank statement or utilities bill no older than three months) as part of their application, and Members may be required to provide an updated proof of address periodically. 7. Annual Re-election of Members

Election to Membership (except in the cases of Temporary Membership and Club 1824) shall be for a period of one year but every Member is deemed to stand automatically for re-election annually at the end of their Membership year in the category appropriate to their age and place of residence at that time unless they have given due notice of resignation (see Rule 9). The name of every Member whose Membership year is about to end may be considered by Council who may re-elect or refuse to re-elect any such Member as they in their absolute discretion see fit. Council shall not be required to give any reason for not re-electing a Member and a person not re-elected shall cease to be a Member at the end of their current Membership year and shall not be brought into the Club as a guest. - 8.2 The CEO may reinstate a Member upon payment of the arrears if satisfactory reasons are presented for the delay in payment.

9. **Resignations**

- 9.1 A Member who wishes to resign must notify the CEO (via the Membership team) of their intention in writing or by email. - 9.2 Resignation shall be effective at the end of the resigning Member's Membership year.
- 9.3 As direct debits (or standing orders) can only be cancelled on the instruction of the Member concerned, the responsibility for this cancellation rests solely with the Member. Subscription payments received after the date of a Member's written resignation, due to Member's failure to cancel their standing order or direct debit, shall become the property of the Club.

10. **Anti-Corruption and Bribery Policy**

The Club will conduct all business in an honest and ethical manner and will take a zero-tolerance approach to bribery and corruption. power to caution or suspend the Member or request their resignation and, if the Member does not resign within one week after such a request, Council may forthwith expel them and strike their name off the Register.

11.3 If Council decide that the offence of a Member is sufficient to warrant their immediate expulsion it is empowered to expel them forthwith.

15.3 Council may limit the number of guests on special occasions and may refuse admission to any guest at any time without giving a reason.

15.4 Persons staying in the Club as a guest of a Member will be made temporary Members for the duration of their stay, for which a charge will be made. However, the introducing Member will be responsible for their conduct and any expense incurred; if resident guests fail to pay their bills then the introducing Member will be liable for discharging the amount.

Those occupying bedrooms may charge to their room account for their requirements during their stay and must settle their bills before departure or once the total bill reaches £1,000, whichever is first.
